

## PUBLIC NOTICE

---

### **BUSINESS REGISTRATION ON THE DATABASE**

The Emalahleni Local Municipality (ELM) through Economic Development, Tourism and Agriculture Directorate (EDTA) is responsible for creating an enabling environment for business sector in the municipal jurisdiction. As part of the implementation of Local Economic Development Strategy, the ELM is developing a verifiable database of all forms of businesses (formal and informal) that are based in the municipal vicinity.

This database will serve as a foundation to a permitting system that will secure the sustainable livelihoods of Emalahleni community. The database will also assist the municipality to properly plan for the development of the businesses.

### **YOU ARE INVITED**

All formal and informal businesses within the municipal jurisdiction are invited to come and register on the database of EDTA in the municipality.

ELM is looking to capture business details, personal details, location of where you trade, information on the goods you sell and other general information.
